

# Office of Policy and Management

Executive Department

PAUL R. LePAGE  
Governor

RICHARD W. ROSEN  
Director

December 3, 2011

Mr. Kent Mitchell

Town of Livermore Falls  
2 Main Street  
Livermore Falls, Maine, 04254

ME-IGR#: 313465

Project: ROUTE 4 SEWER MAIN REPLACEMENT

Location: Towns of Livermore Falls and Jay; Androscoggin County, Franklin County, State of Maine

This is to certify that the above referenced application underwent Intergovernmental Review in compliance with Federal Executive Order # 12372 and 5 MRSA Subsection 3305 Subsection S1 (J.K.).

Even though this proposal has undergone the Intergovernmental Review process, the applicant is still responsible for meeting the requirements of all other federal, state or local laws and authorities applicable to the proposed project. All proposals involving construction should obtain an advisory opinion from the Maine Department of Environmental Protection (207-287-7688) or, if the project is located within an unorganized territory, the Land Use Regulation Commission (207-624-8551) prior to initiating construction activity.

Sincerely,

Amanda Rector  
Review Coordinator
